**CUNA Technology Council
Conference**
September 29 – October 2, 2010

Sponsor Logistical
Information

Introduction

Thank you for your tremendous support of the 15th Annual CUNA Technology Council conference! Without it, we would not be able to provide the exceptional conference that our members have come to expect.

The CTC conference attracts attendees from full-service credit unions who are key decision makers and excellent sales prospects. As a sponsor, you'll have the opportunity to network with attendees, attend conference educational sessions, and show the value your company offers.

For conference information, visit cunatechnologycouncil.org.

Your Sponsorship Includes:

- Your company name, description and sales contact information printed in the conference handbook that attendees receive onsite
- Attractive signage at the event in which you sponsor
- A link to your Web site from the CTC Web site
- The ability to attend all functions associated with the conference
- A complete listing of conference attendee's contact information
- For an additional \$1,000, you have the option of purchasing a six-foot draped and skirted display table to use throughout the conference.
- Complimentary conference registrations, depending on your level of sponsorship.
- The ability for discreet literature distribution during your sponsored event

Conference Attendee List:

On **September 8, 15, 22 and 27**, paid sponsors will receive a roster of conference attendees, in addition to a demographic report. We hope that the list will help you in preparing for the conference where you will have ample opportunity to network with the attendees at the social events, educational sessions and networking breaks. ***Attendee emails will be shared with you solely for your use as a sponsor for this event. You may not use those emails for other purposes, or share them with any third parties.***

No activities may be scheduled at any time that will draw participants away from sessions or other conference activities.

Tabletop Display Area:

The sponsor display area, located in the **Roman Ballroom** (Welcome Center) provides a setting for sponsors to demonstrate their respective offerings. Each sponsor who has paid the additional fee (see attached list) will have use of a six-foot draped and skirted table and two chairs. ***Please remember that it is necessary to adhere to the six-foot space allotment. We will not be able to accept anything larger.***

This is not a typical exhibit hall with dedicated hours, but rather a sponsorship program that allows you to attend all sessions and social events. We encourage you to attend sessions and mingle with credit union attendees to hear the questions and challenges they face, and evaluate services you can provide.

Setup and Takedown

On Wednesday, September 29, the conference registration desk will open at 11:00 am. Please pick up your conference materials and plan on setting up your tabletop display in the Welcome Center between the hours of 11:00 am and 4:00 pm. There will be a disposable identification sign on your assigned table. (Booth numbers will not be assigned, as this is not an exhibit hall.)

Please be present at your display table during conference registration, the Welcome Reception, breakfasts, and networking breaks. At all other times, you are strongly encouraged to attend all educational sessions and social events. It is also permissible to be present at your table anytime throughout the conference. Please refer to the schedule located on the next page.

Takedown can occur on Friday, October 1 after 5 p.m., or Saturday, October 2 between 8:30 am and 12:00 pm.

Drawings are optional. If you would like to conduct a prize drawing, please advise us in advance by emailing bbischke@cuna.com and provide the name of the person from your organization who will announce the winner, and what the prize is. Your representative will be called to the microphone to make the announcement. Please take your prize and winner's name to the refreshment break on Friday, October 1 at 2:15 pm where the announcements will occur.

Presentation Handouts:

As in previous years, conference handouts will be posted to the CUNA Technology Council Web site approximately two weeks prior to the start of the conference and will remain available after the conference. If you are a registered attendee for the conference, you can access and print the handouts for the sessions you plan to attend. A link will be sent as soon as the presentations are posted. Copies of presentations will not be provided at the conference.

Cancellation Policy:

Refunds will be issued until five weeks prior to the start of the conference, or August 25, 2010. No refunds will be available after this date. All cancellations must be submitted in writing to bbischke@cuna.com.
